

TOUGHMATE PARTNER DEMO PURCHASE PROGRAM

Updated October 21, 2019

TOUGHMATE AUTHORIZED RESELLER INFORMATION

We are pleased to announce that you now have access to Toughmate accessories for demo, at drastic savings! In alignment with your official Panasonic Partner status, you can now encourage your team to deliver a "total solution," not just a device. So, whenever you provide end users with a Toughbook for evaluation, you can "attach" the Toughmate accessory before you ship. Then, "attach" the accessory in the quote!

PROCESS:

1. Please enter your information in the fields below.
2. Click on the tab below that represents your Panasonic Partner Program to complete your order.
3. Your invoice will be returned to you with your order total, including shipping.
4. Each product listing "part number" is a hotlink. You can click on it for more info about our products.
5. Toughmate accessories purchased as part of the demo program ship directly from InfoCase.
